Attachments: Pollinators Back Cover Copy.doc

Hi Tom, Dave,

Here is the last of it! I told Justin we would send this back WITH Chapter 8 no later than Wednesday.

Call with any questions or concerns. I will collate edits in my version, as with the other proofs.

All the best,
Jen

Subject: Pollinators Back Cover Copy

Hi Jen,

One last piece of material that we need your (and the editors') review on, is the draft of the back cover copy. Attached is my preliminary draft of the copy. Would it be possible for you, David and Thomas to review and provide feedback?

Once this is finalized, we should be in good shape to get the project finalized and to the printer soon.

If possible, it would be great to have feedback next week. If you have any questions, just let me know.

Best wishes,
Justin

Justin Jeffryes

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,

network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
